THE EVENT

NEBBIOLO DAY is the first ever comprehensive UK trade tasting that covers all Italian denominations producing this complex and ageworthy red grape variety. Organised by Walter Speller, www.JancisRobinson.com's Italian wine specialist, and Hunt & Coady, more than 80 producers and winemakers will be presenting their wines in a full day's immersion in Nebbiolo, showcasing the variety's many expressions that originate from Northern Italy's diverse terroirs, and putting an inimitable stamp on the wines' styles.

This is a unique opportunity to taste Nebbiolo from denominations not previously seen on the UK market in the presence of their makers, with many looking for UK representation.
